This Schedule is issued by Rear Vision Systems (QLD) Pty Ltd (ABN 47 147 384 790) (“RVS QLD”, “we”, “us” or “our”) and forms part of, and is subject to, RVS QLD’s standard Warranty Terms (current version) (the “Standard Terms”).

| Extended Period   | A total warranty duration that applies instead of the Warranty Period, offered only for certain Products and only where RVS QLD’s tax invoice for that purchase expressly says so |
| Both run from     | The date of RVS QLD’s tax invoice for the Product                                                                                                                                 |

| Everything else   | All other provisions of the Standard Terms apply in full — see section 4                                                                                                          |

## 01 HOW THIS SCHEDULE APPLIES

Section 2 below sets out the Warranty Period that applies to each Product listed. Unless section 2 states a different period for a Product, the Warranty Period set out in section 2 of the Standard Terms applies. Where section 2 below states a different Warranty Period for a Product, this Schedule constitutes the signed warranty schedule referred to in section 2 of the Standard Terms, and that different period (whether longer or shorter) applies instead of the Standard Terms’ default.

Section 2 may also state an Extended Period for a Product — a total warranty duration that applies instead of the Warranty Period, not in addition to it. An Extended Period applies to a particular purchase only where RVS QLD’s tax invoice for that purchase expressly states that it applies to the Product purchased. Where the invoice does not state this, only the Warranty Period set out in section 2 applies, even if an Extended Period is listed for that Product.

\* Warranty commences from the date of RVS QLD’s tax invoice for the Product.

### 03 NATURE OF THESE PERIODS

---

The Warranty Periods and any Extended Periods in section 2 are set by RVS QLD for the Products listed. This Schedule does not itself constitute or evidence a separate manufacturer or supplier warranty document. RVS QLD's own obligations in respect of a Product listed in this Schedule are limited to those set out in this Schedule and the Standard Terms.

RVS QLD may vary or withdraw a Warranty Period or Extended Period listed in this Schedule, or add or remove Products, at any time for future invoices. Any such variation or withdrawal does not affect a Product already invoiced under the Warranty Period or Extended Period stated on the relevant tax invoice, which remains covered for the full period stated.

### 04 ALL OTHER TERMS UNCHANGED

---

Except as expressly varied by a Warranty Period or Extended Period stated in this Schedule or on the relevant tax invoice, every other provision of the Standard Terms applies in full and is incorporated into this Schedule by reference, including (without limitation):

- a. the exclusions in section 4 of the Standard Terms (What is Not Covered);
- b. the water, moisture and dust ingress terms in section 5 of the Standard Terms — a Warranty Period or Extended Period under this Schedule does **not** extend to, broaden, or otherwise affect the ingress exclusion, which continues to apply in full (including the requirement for a manufacturer IP rating and compliance with its scope) for the full duration of that period;
- c. the claims process in section 6 of the Standard Terms;
- d. the remedy provisions in section 7 of the Standard Terms (repair, replacement, or credit at RVS QLD's discretion);
- e. the treatment of repaired or replacement products in section 8 of the Standard Terms;
- f. the limitation of liability in section 9 of the Standard Terms;
- g. the Australian Consumer Law provisions in section 10 of the Standard Terms;
- h. the third-party manufacturer warranty terms in section 11 of the Standard Terms; and
- i. the general provisions in section 12 of the Standard Terms (including governing law and jurisdiction).

If there is any inconsistency between this Schedule and the Standard Terms, this Schedule prevails, but only to the extent of that inconsistency and only in relation to a Product listed in this Schedule (and, in the case of an Extended Period, only where that Extended Period is expressly stated on the relevant tax invoice).

### 05 PERSONAL / NON-TRANSFERABLE

---

Where a Warranty Period or Extended Period applies to a Product under this Schedule, the benefit of that period is personal to the customer named on RVS QLD's tax invoice for the Product and applies only to the specific Product purchased. It does not apply to any other person, entity, or Product, and may not be assigned or transferred without RVS QLD's prior written consent.
