This Schedule is issued by Rear Vision Systems (QLD) Pty Ltd (ABN 47 147 384 790) (“RVS QLD”, “we”, “us” or “our”) and forms part of, and is subject to, RVS QLD’s standard Warranty Terms (current version) (the “Standard Terms”).

## 01 HOW THIS SCHEDULE APPLIES

This Schedule lists the Extended Warranty Periods RVS QLD may offer for certain Products, instead of the general 12-month Warranty Period in section 2 of the Standard Terms.

An Extended Period listed in section 2 applies to a particular purchase only where RVS QLD’s tax invoice for that purchase expressly states that it applies to the Product purchased. Where the invoice does not state this, the standard 12-month Warranty Period in section 2 of the Standard Terms applies, even if the Product is listed below.

## 02 PRODUCTS AND WARRANTY PERIODS

| PRODUCT                                    | STANDARD PERIOD* | EXTENDED PERIOD* |

| RUGGON VX501C-P VulcanX Tablet             | 12 months        | 5 years          |
| RVS-7900 AHD Quad Monitor                  | 12 months        | 2 years          |
| C9000 Camera                               | 12 months        | 2 years          |

\* Warranty commences from the date of RVS QLD’s tax invoice for the Product.

### 03 NATURE OF THESE PERIODS

---

The Extended Warranty Periods in section 2 are offered by RVS QLD for the Products listed. This Schedule does not itself constitute or evidence a separate manufacturer or supplier warranty document. RVS QLD's own obligations in respect of an Extended Period are limited to those set out in this Schedule and the Standard Terms.

RVS QLD may vary or withdraw an Extended Period listed in this Schedule, or add or remove Products, at any time for future invoices. Any such variation or withdrawal does not affect a Product already invoiced with an Extended Period stated on the relevant tax invoice, which remains covered for the full period stated.

### 04 ALL OTHER TERMS UNCHANGED

---

Except as expressly varied by an Extended Period stated on the relevant tax invoice, every other provision of the Standard Terms applies in full and is incorporated into this Schedule by reference, including (without limitation):

- a. the exclusions in section 4 of the Standard Terms (What is Not Covered);
- b. the water, moisture and dust ingress terms in section 5 of the Standard Terms — an Extended Period under this Schedule does **not** extend to, broaden, or otherwise affect the ingress exclusion, which continues to apply in full (including the requirement for a manufacturer IP rating and compliance with its scope) for the full duration of the Extended Period;
- c. the claims process in section 6 of the Standard Terms;
- d. the remedy provisions in section 7 of the Standard Terms (repair, replacement, or credit at RVS QLD's discretion);
- e. the treatment of repaired or replacement products in section 8 of the Standard Terms;
- f. the limitation of liability in section 9 of the Standard Terms;
- g. the Australian Consumer Law provisions in section 10 of the Standard Terms;
- h. the third-party manufacturer warranty terms in section 11 of the Standard Terms; and
- i. the general provisions in section 12 of the Standard Terms (including governing law and jurisdiction).

If there is any inconsistency between this Schedule and the Standard Terms, this Schedule prevails, but only to the extent of that inconsistency and only in relation to a Product for which an Extended Period is expressly stated on the relevant tax invoice.

### 05 PERSONAL / NON-TRANSFERABLE

---

Where an Extended Period applies to a Product under this Schedule, the benefit of that Extended Period is personal to the customer named on RVS QLD's tax invoice for the Product and applies only to the specific Product purchased. It does not apply to any other person, entity, or Product, and may not be assigned or transferred without RVS QLD's prior written consent.
